

## Chairperson's Message

### Welcome to the 187<sup>th</sup> edition of the Woodstock Fair.

The Fair Planning Committee has been working diligently to make the 2024 year's fair a treat for everyone! The theme this year is "Rural & Urban – One Community" which describes Woodstock and the area so well.

There will be plenty to see and do, including many of your old favourites, such as Campbell's Midway, bouncy castles, Old MacDonald's Barn, demo derby, tractor pull, livestock shows, homecraft competitions and the flower show. Don't forget, while checking out the competitions in the Auditorium, to also visit Victoria Quilts who do amazing work for cancer patients.

In addition, we are adding new features, both inside and outside. Ron Guttman, magician, will perform his Shenanigans and the Canadian Raptor Conservancy will treat you to a fabulous raptor show. Look for Rienus Meyer, who will be showcasing his blacksmithing skills and definitely don't miss the Train! There's bound to be more before August 22<sup>nd</sup>, so make sure you come and check it all out.

I would also like to take this opportunity to thank all the volunteers who give their time all year planning and preparing for the fair. Without them this weekend of fun, learning and entertainment would not be possible.

A huge thank you, as well, to the Woodstock business community for sponsorship, in-kind support and donations. Your continued support goes a long way in providing the best experience possible for our fairgoers.

Enjoy the 2024 Woodstock Fair!
